DT : 8.5.1992

CIRCULAR NO. 603/ACCTS.

**Sub.: Function – wise Depiction of salary wages and allowances –
Adjustment Account in Part – II T.B. (Food).**

Reference is invited to this office Circular No. 570/Accts. dated 10.4.91 issued under No. Accts 9(17)/90 on the cited subject.

As stated there in B.I.C.P. have desired the Corporation to include administrative cost incurred on procurement operations as part of procurement cost. It has been observed that the instructions contained in HQ Circular referred to above are not being complied with scrupulously by some of the Unit offices. It is, therefore again impressed upon all the Unit Offices to furnish function – wise figures for salaries/wages and allowances on the basis of the deployment of staff/officers in part-II Trial Balance.

Since Unit Offices are not taking the stipulations of Circular No. 570/Accts. seriously the instructions are again reiterated for strict compliance.
